All about FODSS

Hello! We are Friends of Dry Sandford School (FODSS), a registered charity (number 282693). The funds we raise through holding regular events, go toward new equipment and activities, as well as subsidising school trips to directly enhance the learning experience for all the children. We'd love you to join us!

What we do

Together with the school staff, we organise events such as bake sales, second hand uniform sales, non uniform days & seasonal events...

The main role of FODSS is to enhance the school experience for our children. The funds raised go towards subsidising trips, visitors & productions, new furniture & equipment...

We rely on the support from the school community & local businesses to raise funds. We aim to make it fun for the children and not too costly for parents/ carers...
